## Unit 2.3

Multi-Step Equations
2.3 I can solve a linear equation by using the
distributive property and/or combining like terms
2.6 I can write and solve equations for real-life
situations.
$\qquad$
$\qquad$
2.3 I can solve a linear equation by using the distributive property and/or combining like terms
2.6 I can write and solve equations for real-life situations. $\qquad$
