

Create a perfect town!

In small groups of two or three, create different aspects of the society such as: transportation, home life, government, food, jobs, security, weather, and education.

** (You may want to place restrictions on your society as well, such as severe drought or war.)

Step 1: Plan and type it out on your computer first.

****Include details of each of the 8 aspects of your "perfect" town and what it would be like to live there.**

Step 2: Then add pictures/color!
